The Bilge Pumps are a pirate music group who specialize in performances that combine nautical songs, sea shanties, and Celtic music with a huge dose of silly comedy.

The group performs larger than life in their pirate outfits with a variety of instruments backing up their bellowing voices. They have been in demand all over the country for their goofy stage antics as they take nautical music and add their own spin on it.

Diane Linn has performed for many years at various concert venues and faires throughout the country and has fans all around that praise her voice, her guitar skill, her musical arrangements, and her artwork.
